Volume No. 46

Whitesburg, Letcher County, Kentucky, Thursday Evening, June 26, 1952

Number 6.

The pleasant young ladies and a bright-eyed young man pictured above gladly posed for the photographer who visited their home town of Whitesburg.

They are, top left to right, Nika Rose Stallard, 17 months, daughter of Circuit Court Clerk and Mrs. W. L. Stallard Jr., Wanda Reese Leon, nine-year-old daughter of Anna Leon—Martha Sue Banks, five, daughter of Mr. and Mrs. Virgil P. Banks, Whitesburg. Bottom row, left to right, Margaret Fay Leon, four, daughter of Anna Leon; Betty Yvonne, 12, daughter of Anna Leon; and Cossie Quillen Jr., four-year-old son of Mr. and Mrs. Cossie Quillen.

## Dan Baker Elected President Of Citizens Health Committee

Dan Baker, Seco, was named president of the recently formed Citizens Health Committee of Letcher County at that committee's first meeting Monday night in the Fiscal Courtroom.

Twenty-five committee members, guests and staff members of the County health department were present at the kick-off meeting in which purposes, aims and objectives of the committee were outlined.

Other officers elected at the meeting were Mrs. Ruby Adams, 1st. vice-president; Mrs. Sybil Brown, Whitesburg, 2nd. vice-president; Robert Pike, Secretary and Bob Blair, Assistant Secretary.

Following the election of officers, Dr. Collins explained the program of the health department and traced the department's history from its beginning to the present time.

He noted how one disease will be shoved into the background and another will emerge on an epidemic scale. Tuberculosis, for instance, Dr. Dow explained, is on the up-grade in the county while venereal diseases are on the down-grade. He contributed the down-grade of venereal disease to the extensive use of penicillin for many ailments by county doctors.

Dr. Dow also pointed out that the public health department of this county cost each taxpayer about ten cents a year. Of course, he explained, it costs more than that to run the health department, but the funds come from the State Department also and in the long run, each taxpayer in this county is out only a dime.

Before closing and turning the meeting over to president Baker, Dr. Collins pointed out the need for a mental health program in the county, mentioning the fact that his staff has no-one to work with the mentally ill in the county.

## Whitesburg Miner Injured In Accident

Joe Tackett, 46-year-old Whitesburg miner, was admitted to the Mount Mary Hospital, Hazard, Monday morning after being injured when the boom of a loader fell on his face while he was checking a hose connection on the loader at the Sapphire Elkhorn Mine at Jellico.

The air hose had split and caused the boom to drop and strike Tackett on the left side of the face.

## Elkhorn Employees Complete Accident Prevention Course

Mr. Ben A. Adams, Superintendent of The Elkhorn Coal Corporation's Hemphill Mine No. 6, announced today that the Coal Mine Accident Prevention course sponsored by the United States Department of the Interior, Bureau of Mines, has now been completed by one hundred percent of this division's employees.

The 502 employees at Hemphill who have finished the accident prevention course are members of Local No. 6948 United Mine Workers of America.

Hemphill Mine No. 6 is the first mine in Letcher County, the fourth mine in the Commonwealth of Kentucky and the nineteenth mine in the entire nation to complete this safety training with 100 per cent of its employees participating.

## Gordon Road Contract Let

A contract for construction on the Chad-Gordon-Delphia Road has been awarded the Corum and Edwards, Inc., of Madisonville, Ky., according to an announcement by William P. Curdin, Commissioner of Highways.

The company submitted a low bid of \$74,561.10 for the work which will start from U. S. 119 at Chad and extend four and three-tenths miles. The contract calls for bituminous macadam surface.

The Providence Regular Baptist Church at Smithsboro, Ky., will dedicate its new \$10,000 churchhouse Sunday, June 6.

## Services Held For James Scott

Funeral services with military honors were held at the Indian Bottom Regular Baptist Church Monday for Thomas R. Scott, 20-year-old Letcher Airman who died of a skull fracture suffered in an auto accident in Oklahoma City Thursday of last week.

According to the Craft Funeral Home, Whitesburg, Scott was preparing for a trip home on an emergency furlough to visit his sick mother at the time of the accident. He was stationed at Tinker Air Force Base.

The son of Boyd Scott and Fannie May Scott, Thomas was born June 2, 1932 at Blackey. He entered the Air Force last spring, Sgt. Arley Lytle said.

Full military honors were accorded at the funeral by Whitesburg VFW Post 5829. Craft Funeral Home of Whitesburg was in charge of services and Reverend Basil Hall officiated.

He is survived by his parents, one sister, Mrs. Edith Bayne, of Pontiac, Mich., two brothers, John of Washington, D. C. and Eugene, with the U. S. Army at Panama City, Florida.

## Child Welfare Office Closes In Whitesburg

The child welfare office at Whitesburg was closed Tuesday of this week as Miss Joan Adams, of Lexington, received notice of her transfer to Ashland, where she will work in a similar capacity.

According to Miss Adams, Letcher County will probably get a part-time worker, since the County isn't large enough to afford enough work for a full time worker.

Miss Adams came to this County a year and a half ago. She is a graduate of the University of Kentucky. No replacement has been named.

## Griffith Named Legion Chief

Lawrence Griffith was named Commander of the McClelland Anderson Post 104 of the American Legion, Neon, last Thursday evening.

Other officers elected on that day were Alfred Smith, 1st. V. Comm.; Robert Smith, 2nd. V. Comm.; Ralph Smith, 3rd. V. Comm.; Clarence Davis, Adjutant; Ben Wise, Finance Officer.

W. H. Belt, Service Officer; Gilly Webb Jr., Chaplain; Harold Hylton, Judge Advocate and Athletic Director. W. H. Belt was also named Historian and publicity officer.

No executive committee members were elected or appointed. Clyde Stapleton resigned as Legion clubhouse man and Henry J. (Curly) Adrian was given the job.

The Post plans to move to new quarters in the near future. Special note has been made of the continuous drive for new members which the Post conducts.

Post publicity officer reminds veterans of World War I, World War II and the Korean conflict that dues in Post 104 are only \$2.25 per year. Of this amount, he says, \$1.25 goes to the National organization, in return for which the member receives the Legion magazine.

Other uses of the dues will be explained to anyone requesting such information, Legion officers said.

## Elder Felix G. Fields Dies Of Heart Attack

Funeral services will be held at the Big Cowan Regular Baptist Church tomorrow, June 27, at 10:00 a. m. for Elder Felix G. Fields, 75, who died at his Day, Ky., residence Tuesday morning of a heart attack.

Mr. Fields had been recovering nicely from a recent illness and death came unexpectedly about 9:00 o'clock Tuesday morning. He was a minister of the Old Regular Baptist Church.

Born March 21, 1877 at Kings Creek, Ky., he was the son of Robert Hiram Fields, of Kingscreek, and Rachael Caudill, who was originally from Rockhouse.

He was married to Sarah Elkins, 71, about fifty years ago, who survives him. He is also survived by seven children, R. H. Leonard, Arlie, Ada Wells, Edna Brown, Vera Sumpter and Flora Litton.

Burial was in the Maggard Cemetery on Cowan, Elders Tommy Collier, Caleb Crouch and Cullen Hogg and others officiating. Craft Funeral Home, Whitesburg, was in charge of services.

## Miner Injured At Jackhorn

Edgar Johnson, 30-year-old brakeman with the Jackhorn mine of the Elkhorn Coal Company lost his right arm and suffered injuries in his arm in an accident at the mine Tuesday night. He is being treated at the Fleming Hospital.

According to C. M. Hill, night foreman at the mine, Johnson was trying to beat a trip to a closed trap door in order that he might open the door and save the trip from smashing through the door. The trip smashed Johnson's arm before he could get out of the way.

Johnson had been working at the Jackhorn mine for about five months. He boarded with his sister, Mrs. Burke, at McRoberts.

## Mr. English Retires As Labor Advisor

Mr. T. W. English, who for many years has served the coal industry in the Big Sandy field, retired effective June 1, 1952. At the time of his retirement, he was Labor Advisor for the Big Sandy-Elkhorn Coal Operations Association, a position he held since 1941.

Mr. English was born in Scottsdale, Pennsylvania where he attended school and started his mining career upon graduation from high school. He actually started to work much earlier. His father was a contractor and he started working for him at the ripe young age of 13 as a water boy, later being promoted to brick carrier but still continuing his education.

In 1929, T. W., or Tom, as he is affectionately known throughout the industry, joined Consolidation Coal Company as General Manager of its operations at Coalwood, W. Virginia. About four years later he was transferred to the Elkhorn Division of the same company as General Manager at Jenkins.

During the years he was General Manager for Consol at Jenkins he was quite active in and helped to organize the Big Sandy-Elkhorn Coal Operators Association. For several years he was a member of the Arbitration Board for the Big (Continued on Back Page)

## Hospital Site Here Okayed

Whitesburg is one of ten sites chosen by the Memorial Hospital Association of Kentucky, West Virginia and Virginia for a community hospital to be constructed within the next three years from funds loaned by the United Mine Workers Welfare and Retirement Fund to the Hospital Associations.

Sites chosen besides Whitesburg are Harlan, Hazard, Middlesboro, Pikeville, Wheelwright, all in Ky.; Logan and Williamson, W. Va., and Coeburn, Va.

A U. M. W. spokesman said it was planned earlier to build one of the hospitals at or near Cumberland but the Middlesboro site was selected instead.

The ten hospitals, which will serve the communities in which they are located as well as mine-union families, will have a total capacity of at least 1,000 beds with a total cost of 15 million dollars.

Harlan and Beckley, W. Va., have the largest hospital, housing about 800 beds, a spokesman said.

Whitesburg's hospital will be constructed on the Tunnel Hill property formerly owned by Willie Lucas. From information received, the hospital will contain a hundred or more beds. Construction plans have not been announced.

## An Ideal Family

Four boys and one girl... an ideal family from the man's point of view, as Mr. Clayton Fields, Whitesburg, will tell you. Pictured above is Mr. Fields' family, Margie Jo, five, Gary Lee, four, Buddy, 11, Tommy Carl, three, and David Ross, 13 months.

## Vernon Whitaker Named Principal At Lawrenceburg

Vernon E. Whitaker, former principal of the Kingdom Come High School and attendance officer in Letcher County for seven years has been named to replace Fox De Moisey as principal of the Anderson High School in Lawrenceburg, Ky.

Whitaker left Whitesburg where he was serving as assistant football coach, last year to accept a position as principal of Bedford High School in Trimbale County, Va.

He is a native of Letcher County, where he was also an elementary teacher for six years.

## Whitesburg Youth Taken To Hospital

Coy Holstein Jr., Whitesburg, was taken to the St. Joseph Hospital this week when he lost the use of his right leg. Coy Sr., fearing Polio, had rushed the young (Continued on page five)

## Civil Docket Lists 315 Cases For July Term Of Court Here

Three hundred and fifteen civil cases have been listed in a docket prepared for the July term of Letcher Circuit Court by Clerk W. L. Stallard Jr.

Those 315 cases are divided into three categories: Ordinary, Equity and Divorce. Eighty-seven cases, including the Ordinary docket, 114, including nine appearance, on the Equity docket and 114 on the divorce docket.

## Blackey Plans 4th Celebration

Can you catch a greasy pig or climb a greasy pole? Do you like good old fashion hill billy music played by old timers or would you rather pitch horse shoes or run in a sack race or with your feet tied together?

Can you eat fish, chicken, or ham? Can you kiddies eat hot dogs, pie, ice cream, and watermelon?

The above named events and food are only a few of the things that are being planned for July 4 at Blackey School according to Mrs. Lundy Adams of the Blackey P. T. A.

There is a prize for (1) oldest man present, (2) oldest woman present, (3) couple married longest, (4) couple married most recently, (5) most children present, (6) couple coming greatest distance, (7) teacher who has taught longest, (8) prettiest girl, (9) prettiest baby, (10) ugliest man.

Vernon Whitaker is chairman of the food securing committee. Curtis Cornett is chairman of recreation, and Mrs. Vernon Cornett is chairman of the food preparation and serving.

The following children are selling tickets for the fair plates: Floretta Stamper, Michelle Adams, Betty Sue Wilson, Phyllis Cole, Mary Steeley, James Cornett, Magellan Fields, Jimmie Hall, Charles Dagnan, and Jimmy Dagnan. The children get 10 per cent of all the tickets they sell. When they have sold fifteen, they get a free one, and the child selling the greatest number wins a grand prize.

## Forty Neon Stores Co-operate For Huge Fourth Of July Sale

All Neon will be on sale from June 28 until June 4. That's what circulars advertised—a Million Dollar Sale being conducted jointly by Neon merchants proclaim and judging by the buys advertised, the sale will be just what the merchants say it is.

The sale is the first of its type to be conducted in the county, with every business firm in the town of Neon co-operating to give the public the biggest price slashing sale in the town's history.

The circular proclaims that "prices will be reminiscent of the days of Hoover" and this many people will want to see.

Forty business firms are included in the giant effort. They include hardware, grocery and furniture stores and department stores.

In conjunction with the Million Dollar Sale is Guy Stinson's Blaze of Values Sale, which features \$1.00 and \$1.95 specials.

## Fields Will Hold Reunion July 13

The Annual Reunion of the Fields Family and their friends, will be held July 13, 1952, at 9 o'clock, CST, on Pine Mountain, about five miles from Whitesburg, at the Nolan Picnic Grounds.

All members of this large family are urged to attend.

## Dawahare's Announce Summer Clearance

Whitesburg headquarters of Dawahare's Inc. announce their big Summer Clearance Sale, which they describe as the greatest the firm has ever attempted. They ask that one "take their word, but come in and see for yourself."

This sale lasts 14 days, beginning tomorrow and continuing until July 12.

A good turnout has been reported by Tepper's, of Whitesburg, big Fourth of July Celebration which entered its second week today.

Its clearance time in the county and the time for good buys. Take advantage of the values offered.

Recently appointed Deputy Sheriffs of Letcher County upon orders of County Judge Robert B. Collins and recommendation of Sheriff Hassel Stamper, were F. C. Lusk, Adam Hudson and Hermon Stone.

## New Health Committee's A Do Something Group

Members of the newly formed Citizens Health Committee of Letcher County showed that they mean business by turning out in full force at the kickoff meeting Monday night in Whitesburg. A couple members who couldn't attend the meeting sent capable substitutes to represent them, which made for a good crowd in the Fiscal Courtroom.

There were also more guests present than one would expect, showing that public health is of interest to many in the county. Those members, substitutes and guests were cordial, received by Dr. R. D. Collins and his health department staff, who will work with the Committee.

The Committee is supposed to assist the health department in working out a closer relationship with the citizens that department serves. It will do this by informing other citizens, through the use of newspapers, radio and personal contact, what their health department is doing and what citizens can do to help.

In an advisory capacity, the Committee will inform the health department of needed public health programs and help the staff work toward meeting these needs. It will help the health department in direct service programs by getting the aid of other groups and individuals in providing transportation and locating sites, etc., for clinics; helping plan and conduct "clean-up" campaigns.

Committee members, who were hand-picked by Dr. Collins and his staff, represent a cross section of the county and therefore will give a good index of the health needs in the county. After election of officers and other business which must be attended to before any committee can get down to work, members decided that each should take note of public health needs in his or her community and report those needs at the Committee's next meeting in August.

Upon surveying the persons chosen on the Citizens Health Committee and observing how those persons have taken an active interest in every civic need which has been brought to their attention, The Eagle can't help but expect great things from the Committee as it acts as a watchdog for the county and the health department. Those persons on the Committee are not serving for personal profit, for there is no mercenary recompense, and since they are all busy people they will not waste their time sitting in meetings or serving on committees where nothing is done.

We think they are a "do something" group and we are watching for the County to advance in public health due to their cooperation and help to the health department.

## Dr. Sloan Gives Rotary Talk On Winter Vacations In Fla.

Following is a talk given by Dr. P. E. Sloan, Whitesburg, before the Whitesburg Rotary Club at the Club's regular luncheon meeting, Tuesday, June 17th:

The program committee assigned me a subject, "Winter Vacations". The way I spend five months each winter in Florida, is not my idea of a vacation. I am not physically able to participate in any of the sports that make an enjoyable vacation such as fishing, shuffleboard, golf or other sports that the others can enjoy. My chief recreation is sitting around absorbing the sunshine and watching the others play shuffleboard and admiring the fish the others catch. The shuffleboard players at the apartment let me think I am their official referee. I do enjoy watching them play and also going with them when they go to other towns to play in the league games.

I think I will tell you some of the things I have observed out the people out of Stuart and Martin County, Florida. For the past six years I have been spending the winters in Stuart. Stuart is a town of about three thousand population and Martin County has a population of about eight thousand, one of the youngest and I believe one of the smallest counties, both in size and population in the state.

Stuart is rightly considered the Sail Fish Capital of the world. The gulf stream runs

## Our Gun Toters Scare Visitors From Other States

A car with a California license plate stopped in front of the courthouse at Whitesburg on a recent court day and the couple inside the car evidently intended to ask directions or perhaps ask where a touring California couple might find lodging for a short visit.

The husband leaned over from his drivers seat to secure needed information from the open window on the courthouse side of the car where the wife was sitting. When the husband leaned over in that manner the wife whispered excitedly in his ear and pointed toward the courthouse, in front of which were no less than five men with big guns hanging loosely at their sides. The husband took one quick glance and then settled himself back in the driver's seat and quickly moved his car out of Whitesburg.

That California couple were just two of many persons who have driven right on through Whitesburg and Letcher County because of the guns they have seen displayed in cowboy style on the main streets of our towns. It didn't matter that those guns were hanging from the hips of our officers of the law, for a stranger used to well-dressed, well-disciplined officers of the law doesn't recognize the type of lawmen which he sees on our streets.

He sees, instead, a reasonable facsimile of what he has seen on the movie and television screen and he draws his conclusions from what his eyes tell him and usually his eyes fail to notice a badge hanging limply from a faded shirt or dirty cap.

Of course, we understand that our officers aren't chosen to look pretty for strangers and we know that they can't hide their guns in a shoulder holster or hip pocket in this hot weather. And it would be asking too much for them to refrain from carrying guns, as do the policemen in London, England.

What we, as citizens, object to is the manner in which many of our officers carry their guns. . . that bullying, swaggering manner which is similar to the attitude of a kid who has just received a new cap-buster and wears in imitation of his favorite screen cowboy. Most of us are used to such "gun-toting," but the stranger within our hills isn't & maybe we are being a bit selfish in hoping that those strangers had a better impression of us and would visit us often instead of taking one look at our guns and leaving for good.

Or perhaps, we too have been spoiled by movies and stories in which officers of the law are the true upholders of justice whose sole aim in life is to protect us and not to try to impress us in a bullying manner with the big guns we give them permission to carry.

electric light post.

The city has no parking meters and from the comments I hear from the winter visitors I am of the opinion they appreciate that more than any other thing the city does to make their winter in Stuart a pleasant one not withstanding all the effort and money they spend to have official shuffleboards for the shuffleboard players and the excellent place they furnish the tourist club to hold their meetings.

The people of Stuart and

Martin County are very generous in their contributions to the different organizations. They have a quota of eight thousand and five hundred dollars for the Red Cross, thousand dollars for the Chamber of Commerce, twenty-five hundred dollars for the cancer fund, beside numerous other organizations such as J. C. Xmas Seals, Easter Seals, Merchants Association Xmas Baskets, Etc. They have a drive on now to raise ten thousand dollars for the hospital. I don't believe there is a county in the United States according to population and per capita wealth that will contribute so much to such organizations as the people of Martin County. I have no facts or figures to substantiate that statement but I do not expect it to be contradicted.

Stuart has a weekly newspaper called The Stuart News that has always interested me very much, it is a well published paper and has an excellent editorial page, does not hesitate to publish the news in a fair and unbiased way. The paper has a circulation of about twenty-five hundred with from sixteen to twenty pages in each issue. It has won both State and national awards for the best weekly and editorial page in its class. It has a staff of six on the editorial and business section. It has a personnel of thirty-three employees. I have a certain amount of curiosity as to what makes things click and know a little about the difficulty of running a weekly newspaper. I made some discreet or perhaps indiscreet inquiries as to the workings of the paper and learned they do a large amount of commercial printing all along the east coast from Jacksonville to Miami as well as in the interior of the State. They also operate an office supply store. The Stuart News has a great reporter who writes a very unique, readable and interesting column called Riding Round.

At one time I considered the property tax rate in Martin County very high but after investigating I learned the citizens got a Five thousand dollar homestead exemption from taxation. I decided the average taxpayer in Martin County does not pay as much tax as the average taxpayer does in Letcher County. But the property owners who come in the higher bracket and the non-resident property owner do pay a high tax rate compared to ours in Letcher County.

In the past six years I have seen great improvement in farming, ranching and in the past two years commercial flower growing has come to the front. They can grow flowers the year around without heat. Martin County has some of the best farming and ranch land in the western part of the county as can be found anywhere in Florida. The citrus farming is being developed fast along the river and the Indian River. Oranges are considered the best in the United States. Stuart and Martin County has done an enormous amount of

building in the past six years both in commercial and residential building.

## MRS. HOGG RETURNS FROM HOSPITAL

Mrs. Charles Hogg, Mayking, has returned home from the Good Samaritan Hospital, Lexington, after being confined there six weeks, during which time she underwent a major operation. Her condition is improved.

Miss Patsy Fields, who was graduated from Lindenwood College, St. Charles, Mo., with the B. S. degree on May 31, is on the Dean's honor roll for the spring semester. Dr. Eunice C. Roberts, dean of the college, announced today. Eligibility is an average of B or better in all academic course. Dean Roberts explained, Miss Fields is the daughter of Mr. and Mrs. Harrison H. Fields of Whitesburg.

## OUR SERVICE PLEDGE

To merit your lasting friendship—to merit your lasting goodwill—we operate our service business in accordance with the following principles:  
WE WILL accurately diagnose—to the best of our ability—the repairs needed on your car. If you request it, we will give you in advance our analysis of the work to be done.  
WE WILL write up your order clearly, completely and legibly; and secure your authorization to do the work before starting.  
WE WILL notify you in advance of any additional work we think should be done, and secure your approval before proceeding.  
WE WILL perform all the work on your car as efficiently and as economically as possible. We will replace only those parts which in our judgement need replacing.  
WE WILL road-test your car after the work is done and before we return the car to you, if the nature of the work requires it.  
WE WILL endeavor to have your car ready on time. If the work takes longer than we estimate, we will advise you as far in advance as possible.  
WE WILL provide you with an itemized bill showing exactly what work was done and exactly what it cost. We will gladly explain any item or items that are not clear to you.

## JENKINS NEWS

### Smedley-Bryson Wedding

The wedding of Miss Betty Lee Smedley, daughter of Mr. and Mrs. H. C. Smedley of Jenkins to Lt. Frank Andrew Bryson, son of Arthur T. Bryson of Ashland, was solemnized Saturday afternoon, June 21, at four thirty o'clock, in the Jenkins Methodist Church. The Rev. J. Hayden Igleheart officiated, at the double ring ceremony.

The church was decorated with baskets of palm fronds, tapered white candles in tiered candelabra, and baskets of white gladioli. Mrs. Henry Sewell, church organist played a program of nuptial music preceding the ceremony. The traditional Bridal Chorus from Lohengrin by Wagner, and Mendelssohn's Wedding March was used. The bride who was given in marriage by her father, wore a gown of white nylon tulle and Chantilly lace over satin. The full skirt, extending into a chapel length train, had double panniers of tulle. She wore a finger-tip veil falling from a satin cap, and carried a bouquet of white roses and stephanotis.

Centered with a white orchid. Matron of Honor was Mrs. Robert S. O'Brien, of Canton, Ohio, and bridesmaids were Miss Nancy Sanders, Lexington, cousin of the bride; Miss Juliette Bryson, Urbana, Ill., sister of the groom; Mrs. Melvin Flynn, Lexington, cousin of the bride, and Mrs. Frank D. Lewis, Tallahassee, Florida. They wore ballerina length gowns of pale orchid nylon marquisette over taffeta, with accordion-pleated skirts.

Deborah Igleheart, flower girl, wore white nylon net over taffeta trimmed with pink larkspur blossoms.

John H. T. Walhall of Ashland, was best man. Ushers were Melvin Flynn, Lexington, cousin of the bride, William G. Bryson, Cincinnati, brother of the groom; John Hunsaker, Frankfort, and Don Combs, Hazard.

Immediately following the ceremony, a reception was given at the Lakeside Hotel. A three tiered wedding cake and an arrangement of white roses and baby's breath, decorated the bride's table. Assisting at the punch tables were Mrs. Marshall Prunty, Mrs. S. J. Chewning, Mrs. H. H. Hendry, Mrs. Hobert Hunter, and Misses Margie Varson, Nancy Rose Sewell, and Ernestine Houck. Mrs. French Mabe was in charge of the decorations and was assisted by Mrs. Margaret Stump and Mrs. Charles Taylor. The brides table was arranged by Mrs. Frank Price of Norfolk, Va., and Mrs. Frank Lewis of Tallahassee, Florida.

Lt. and Mrs. Bryson will make their home in Enid, Okla.

The bride and groom are graduates of the University of Kentucky. Mrs. Bryson attended Mary Washington College, Fredericksburg, Va.

Out-of-town guests here for the wedding were Mr. and Mrs. Arthur T. Bryson of Ashland; Mr. and Mrs. William Bryson of Cincinnati; Mr. and Mrs. J. H. Hunsaker of Frankfort; Mr. and Mrs. E. F. Sellier and son Edward of Lexington; Mrs. Robert Crane, Flemingsburg, Ky.; Mrs. J. S. Rule of Lexington; Miss Nannie Mae Smedley and Mrs. Eva Sanders, of Lexington; Mr. and Mrs. Raymond Denny of Stone, Ky.; Mrs. J. J. Croley and son J. J. Jr., of Elkhorn City.

The rehearsal dinner for the Smedley-Bryson wedding party was given at the Colonial Hotel, Wise, Va., last Friday evening. Included in the guest list were Dr. and Mrs. T. D. Vaughn, Mr. and Mrs. S. J. Chewning, Mrs. Frank Lewis, Mr. and Mrs. Henry Sewell, Mrs. Robert Crane of Flemingsburg, The Rev. and Mrs. J. Hayden Igleheart, Mrs. Eva Sanders of Lexington, Mrs. Gertrude Gambill and the bridal party. Mrs. T. D. Vaughn was in charge of the rehearsal.

The wedding breakfast for the Smedley-Bryson wedding party was given at the home of Mrs. Howard Burpo on Saturday morning at eleven o'clock. Co-hostesses were Mrs. T. M. Perry, Mrs. Hayden

Igleheart, and Mrs. Henry Sewell. The Burpo home was beautifully decorated with roses, larkspur and Japanese Iris. The brides cake was garlanded by Mimosa blooms. ## ROTARY NOTES

Rotarians were treated to a fine fishing film sponsored by one local angler, Oscar Lewis, in co-operation with Herman Robinson, a friend of Oscar's and a visitor from Lexington. The film portrayed the fishing industry, especially tuna fish, near San Pedro. The preparation for the huge fish was unique in every respect and we feel sure, after seeing the film, Oscar has a yen for the deep sea sport. Oscar says he was among the husky fishermen—we feel this is true at heart at least.

On fishing, we learn that Rotarian Otis Mohn is spending the week at Dale Hollow with other fishing buddies.

Our club president Meryl Brown, Vice-President Robert Fike and Lee Cooper attended the Rotary Assembly for the District at Millersburg on Monday and Tuesday.

## Sgt. Wright Receives Discharge From Army

Sgt. Thomas G. Wright, son of Mr. and Mrs. James Wright, of Jenkins, was discharged this week from the Army at Camp Breckinridge, Ky., after serving three years, fourteen months of which was spent in Korea with the 27th Regiment of the 25th Division.

He returned to the states in September of last year from Korea. Before entering the Army, Mr. Wright attended the Fleming-Neon High School.

On fishing, we learn that Rotarian Otis Mohn is spending the week at Dale Hollow with other fishing buddies.

Our club president Meryl Brown, Vice-President Robert Fike and Lee Cooper attended the Rotary Assembly for the District at Millersburg on Monday and Tuesday.

## Marriage Licenses

June marriages in the county slowed down toward the middle of the month and license clerks had a welcome rest. County Clerk Charlie Wright said today.

## TALKING IT UP!

With Russell Rice

Mrs. Nolan said Monday that she wasn't going to be written up in this column again. Apparently because readers might think this writer was catering to the boss lady. But that was Monday morning and a little incident occurred Monday afternoon which this writer and Mrs. Nolan both agreed will be of much interest to fishermen everywhere and she readily consented for her fishing prowess (or luck?) to be discussed in this column.

To some, this is a twice told tale but that circle upon which Mrs. Nolan aimed her enthusiasm over Monday afternoon's catch is so small as not to matter in the telling of our story.

On that memorable afternoon, Mr. and Mrs. Nolan took Miss Doris Miles and the Nolan girls, Jeannie and Jerry, to Blairs Lake at Cumberland for a picnic. Naturally, since they were to be around water, Mrs. Nolan took her rod and reel along. She started casting with a "bomber" and was just getting her arm limbered up when the bait sailed into a clump of small shrubbery overhanging the water.

"Oh, My!" Mrs. Nolan exclaimed, "I'm afraid I'm going to lose my bait" and she started jerking the line as all good fishermen will in an attempt to free the plug. The jerking caused the plug to jig up and down and just when Mrs. Nolan was ready to give up on getting her plug back a big bass left the water, plucked the plug from the bush and headed back into the lake freeing the line from the bush as it plunged into the water.

The honorable fishing lady of The Mountain Eagle, who must be good to dogs and kids and live the way all good fishermen should, wasn't too shocked to reel the fish in although her surprise meter registered in the high degrees.

The bass was a pretty largemouth, measuring 14 inches in length and full of fight as are all bass found in small fresh water lakes or streams. (We have authentic proof to back up this story).

The Whitesburg Ping Pong Tournament is really getting hot as semi-final play approaches. Not an upset has been registered in the tournament and favorites Russell

Price of the Kyva Motor Company, V. D. Picklesimer and son, Dennie, Fire Chief Remious Day and Dan Combs are fighting it out for an appearance in the final bout.

Mr. Picklesimer is expected to easily dispose of Jaycee President Elmer Collins tonight, while Dennie and Remious Day will tangle in what promises to be one of the better games. Russell Price will play the winner of the Picklesimer - Collins match, while Dan Combs meets the Day-D. Picklesimer winner. The Jaycees will try to end the tourney tonight or tomorrow night.

Sportsmen Earl and Ned Day are looking for a fellow sportsman with a good car to drive them on a vacation trip from Whitesburg to the West Coast. They plan to visit such well-known and interesting places as Yellowstone National Park, Mt. Ranier, Glacier Park, Salmon River and others. Earl and Ned offer to pay all car expenses and lodging expenses for the driver who might be interested. There's always plenty of sporting fun when the Day boys take a vacation and someone might be missing a good deal here.

Morton Miles, of Premium, landed a 20" five and one-half pound catfish in the Kentucky river near his home.

We understand that a well known Letcher County citizen is leasing lands on the Cumberland River for a fishing lake. Naturally we're all for him.

**LAST WEEK:**  
Dr. Dow Collins, from the County Health Department, Whitesburg, who was the guest speaker of Dr. T. M. Perry, gave us an interesting address on Public Health, and the part the County Board of Health is doing in trying to raise the standard of good health in this County. The information that we got from his talk was very instructive and should help all of us in our every day living. Thanks Dr. for a fine program.

## MEN IN SERVICE

**BLACKIE SOLDIER RETURNS TO CAMP COOK**  
Cpl. Bobby R. Cole, son of Mr. and Mrs. Rex Cole, Blackie, has been reassigned to Camp Cook, Calif., after a thirty-day furlough with his parents.

A veteran of eleven months service in the Korean War, Bobby was a member of Company "D", 8th Infantry Regiment, Second Infantry Division, with which outfit he distinguished himself by heroic achievement on June 2, 1951, in the vicinity of Inje, Korea.

On that day the machine gun section of which he was a member was supporting a friendly unit in an attack on Hill 451. On the top of the hill they were met by enemy counter-attack. Cpl. Cole, a machine gunner, could not find a proper position for his weapon so he grasped it and began firing from the hip.

A citation read, "Without regard for personal safety, he remained in an exposed position, disregarding the intense enemy automatic weapons fire, and continued to fire his weapon until the enemy attack was repulsed and the objective had been seized. Cpl. Cole's heroism under fire reflects great credit upon himself and the military service."

Sgt. First Class Cole received a silver star and bronze star while in Korea. He entered the army in September, 1950. Now twenty-one years of age, he attended school at Blackie and Stuart Robinson.

Sgt. Sherman R. Cole, brother to Sgt. Bobby Cole left Sunday for Camp Hilmer, New Jersey, to await transfer to Germany, after spending a short furlough with his parents at Blackie.

He, like his brother, is an eleven-month veteran of the Korean War, entering the Army in May, 1950.

Pvt. Arthur Sergeant, son of Mr. and Mrs. John Sergeant, Democrat, Ky., is serving in Germany with the 2nd Armored "Hell on Wheels" Division.

The Armored outfit joined the North Atlantic Pact Army in Europe last July. In World War II the division was the first American unit to enter the fallen city of Berlin.

Private Sergeant was employed as a truck driver by Marlow Construction Company before entering the Army October 25, 1951.

## A-2c TOLSON RESUMES NEW DUTY ASSIGNMENT

A-2c James R. Tolson, son of Mr. Walter Tolson of Thornton, recently arrived at Luke Air Force Base to assume his new duty assignment in the United States Air Force.

Prior to coming to this advanced fighter-combat pilot training base, Airman Tolson was stationed at Kimpco AFB, Korea.

Tolson has also seen service in Germany and Alaska. He attended Whitesburg High School and was employed by the Bates Coal Co., before joining the air force.

**S-A BLEVINS ABOARD USS DOUGLAS A. MUNRO**  
Serving aboard the destroy-

er USS Douglas A. Munro is Ernest R. Blevins, seaman apprentice, USN, son of Mr. and Mrs. Ernest Blevins of Payne Gap.

Blevins entered the Naval service Nov. 27, 1951, and received his recruit training at the U. S. Naval Training Center, San Diego, Calif.

Before his entry into the Navy, he was graduated from Whitesburg High School.

The Munro is a unit of the Pacific Fleet.

The Service Battery in which Sgt. Harry Lucas, Whitesburg, is serving in Korea, has been chosen as the best service battery in the 1st Corps Artillery, an Army announcement said today.

In the citation, the entire battery was described as outstanding. The battery is part of the 8th Army.

## SHORTAGE OF WACS

The Army is feeling the shortage of WACS more and more as time passes by, it was announced by T. Sgt. Arcey Lytle, of the local U. S. Army and U. S. Air Force Recruiting Station.

There has been urgent requests for them to fill vacancies in the various Army commands, all over the world, pouring into Washington. But the Army's Personnel Director is forced to turn down nearly all of these requests and fill them with men because of the critical shortage of WACS. The army needs 30,000 WACS, and the present strength is 12,000.

## WAR BRIDE PLANS TRIP TO ENGLAND

Mrs. S. E. Moncrief Jr., formerly of Bishops Stortford, England, announces that tentative plans are being made for a reduced rate plane trip to England during 1953, (Coronation Year) for all English War Brides in this country who wish to visit the homeland.

A round-trip adult fare will run less than \$800.00 if a group of 21 or more is obtained for the trip. Mrs. Moncrief, of Whitesburg said. Those interested should address their correspondence to Mrs. Moncrief, Whitesburg, for further details.

M., at the front door of the courthouse in Whitesburg, Letcher County, Kentucky, expose to public sale to the highest and best bidder the following described property or so much thereof as will satisfy the plaintiff's debt, interest and costs:

A certain tract or parcel of land lying and being on the head of Potter's Fork of the North Fork of the Kentucky River in Letcher County, Kentucky and described as follows:

"Beginning at a gate post near a wash house, a line between Consolidation Coal Company and W. M. Hughes; thence running up the branch with the fence to a rock at a chicken house; thence with the fence to a poplar stump; thence a straight line to the top of the ridge to a chestnut oak; a line of Rose Wright; thence down the hill with Consolidation Coal Company line to the beginning, containing about 15 acres more or less."

Being the same land conveyed to defendant herein by W. M. Sanders and Mary Sanders, his wife, by deed dated March 4, 1947, and recorded in Deed Book 119, page 329, records of the Letcher County Court Clerk's office.

Leveled upon as the property of Eliza Sexton.

Amount to be raised: Prin. \$1,000.00 Int. to 7-7-1952 13.90 Cost 10.35 Commission 61.40

Plus cost of advertising, etc. Said will be in the hands of six months, and bond with approved surety will be required bearing interest at the rate of 6 per cent per annum from date of sale.

Given under my hand this the 21st day of May, 1952.  
—HASSEL STAMPER, Sheriff, Letcher County.

## GAME AND FISH TO BE DEPARTMENT ON JUNE 19

The Division of Game and Fish was changed to the Department of Fish and Wildlife Resources on June 19. The change was authorized at the 1952 session of the State Legislature.

Also effective on June 19th were several minor changes in the Game and Fish laws. Among them is the elimination of the county hunting and fishing license has been eliminated in favor of a 10-day non-resident license, which will sell for \$2. The former license sold for \$1 for three days.

Created also, was a \$1 Jun'ior License for hunters under 16 years of age. Formerly these youngsters were required to purchase a regular \$3 statewide license, or a county \$1 license. Several other minor changes have been made and a revision of the law book will be off the press and available soon. It may be obtained by writing to the Department of Fish and Wildlife Resources, New State Office Building, Frankfort, Ky.

## THE PARSON SAYS:

—by E. Hampton Barnett

FEAR is one of the primary emotions of life. These attitudes are commonly called the three F's, namely feeding, fighting fear. We eat because we are afraid we will starve. We fight because we are afraid what others will do for us. OLD FASHIONED FEAR may be one of the worst enemies we have, or it can be one of our best friends.

The other day I saw a dog simply tearing up the yard as he barked at the paper boy who was only delivering his morning paper. The paper boy was not afraid of the dog, so he showed him his knuckles. The dog licked his fist, and wagged his tail. The boy got down on his knees and petted the raving dog, as he wagged his tail in a sort of friendship. He seemed to say: "Paper boy, I thought I could scare you, but when you showed me your fist, I was willing to call it a draw."

Sometimes we have to show the devil our fist, if we are to conquer him. He will rave, snort, bellow, and paw up the earth about us. But once a person sticks his fist in his face he is ready to tuck his tail and leave us alone.

FEAR has a large place in our lives. Some people are

afraid the world is going to come to an end at a certain time. Some have gone far enough as to give figures on the end of all things. Figures have no place in God's design of this world, and the end of time. A little girl said the other day: "I am afraid the world is going to come to an end." Another little girl said: "No man knoweth, no, not the angels of heaven, but the father only." Matthew 24:36.

Jesus kept saying: "Fear not." "Be no afraid." "Perfect love casteth out fear." When people spend their lives in fear they are missing the joy of living. Why should we fear, when God is so near to give us courage and com-

fort? People who are always afraid seldom do much but sit around in fear. We need to and get down to work and forget some of our silly fears, service. Politicians would scare the mortal life out of us if we do not vote for them, by telling us that some bomb is going to blow us to bits. If we elect some of them they may blow us up, so the fear is as real of some people as the bombs. People need to think a little, and face the world with courage. Don't let any one scare the life out of you.

I use to know a person who was always afraid he would go to the poor house, for his the blessings of the home for whole family could not enjoy thinking about the trip over the hill to the poor house. It is a poor house that creates fear in the lives of the children.

Many churches try to scare people into the Kingdom of God. If they succeed in making them think that they must run into a hole, they usually find a bear in the hole when they arrive. God never set out to scare people into a safe place from hell. He tries to lead them into the Christian service, where there will be no fear, and where

Slogan: Don't mock the racer, you may be erased. The month of July marks, "Vacation Time." More people use this month for their starting post than any other

there is no dead end.

God is a loving father. All sinners, Christians, and saints should find their strength in prayer to God for the new birth, and the grace of God to keep them in the good way of life. The parents who threaten to put their children in a dark closet to make them be good, only succeeds in making them afraid. God wants us to love Him for the good we can do. The devil could not scare Jesus. But Jesus answered him: "Thou shalt worship the Lord, thy God, and Him only shalt thou serve."

## WHEN YOU TRY POWER STEERING... HERE'S WHERE TO COME FIRST!

You've heard about it and read about it. Now, if you haven't felt what Power Steering does for you, we invite you to try it first in a Chrysler New Yorker... where you will find full-time (not partial) Power Steering!

What happens is this...

You handle the steering wheel in normal fashion. But 4/5 of all the work is done for you by hydraulic power, constantly at your command. Also, you turn the wheel 1/3 less distance now for every maneuver... the feeling you get of utter control is as wonderful as it is new.

Even at a standstill you can turn the wheel easily. Now, parking is shorn of its troubles (and fatigue!)... and you can negotiate traffic, awkward drives, and garage doors precisely and with ease.

You can double the longest day's drive you've

ever known... end up free from arm and shoulder strain. Rough roads, soft shoulders, snow, mud?... the power that helps you steer now prevents the car's wheels from "steering back" at you. The course you set is held, at any speed, till you want it changed. Yet, with this 5-times greater control, "wheel feel" is always the same.

Why not come try it? Learn for yourself why growing thousands of motorists say they'll never be without Full-time Power Steering from now on. Drive a Chrysler... and Learn the Difference!

## Obituaries

## Obituary of

## Mrs. Loretta Adams

Loretta Jones Adams was born October 20, 1873 and died June 15, 1952, at 76 years, 7 months and 26 days of age. On December 25, 1897, she married Will Adams and moved with him to Cowan Creek of Letcher County where they lived until 1945 when they moved to Neon. Her husband preceded her in death five years ago. To their union ten children were born, nine of whom survive: their mother, Dr. Kerney Adams, Richmond; Kelsey Adams, East Jenkins, Fondy Adams, Hazard; Mrs. Nat Craft, Neon; Forest Adams, Harlan; Mrs. Even Crase, Jenkins; Mrs. Elma Wright, Neon; Jody Adams, Hindman and Mrs. Dolph Lucas, Beattyville. In addition to rearing these nine children to maturity, she reared her grandson, Robert Adams, Harlan, from seven months to manhood and always spoke of him as "her baby". Also surviving are 25 grandchildren, two great-grandchildren and two sisters, Mrs. Jimmy Adams of Daytona Beach, Florida and Mrs. Emily Everidge of Hindman.

While yet a very young girl she became a Christian and so lived the rest of her life. About twenty-four years ago she experienced a deeper, fuller relationship with God and became a member of the Church of God. She was a faithful, loyal member and her seat in church will be vacant forever.

It has been said of her that Loretta Adams was a wonderful soldier and that truly describes her life. She was ever honest, loyal and brave. It is a testimony of her loving kindness to her fellowman that she was affectionately referred to as "Mam-maw" by folks other than her family. To her sons, daughters and grandchildren, she leaves an inheritance greater than riches. Her prayers—that will follow you all the days of your life.

The following poem was chosen by her and read by her to friends visiting in her home, as one of her favorites and it certainly portrays her life:

You don't have to tell how you live each day;  
You don't have to say if you work or play;  
For a tried, true barometer is always in place,  
However you live, it shows on your face.

The false and deceit you bear in your heart,  
Will not stay inside where it first got its start;  
For sinew and blood are a thin vein of lace—  
What you wear in your heart, you wear on your face.

If your life is unselfish, for others you live;  
Not how much you can get, but how much you can give;  
And if you live close to God and His infinite grace;  
You don't have to say so, it shows on your face.

## Elsie Combs Adams

On June 14, 1952 as the day was passing, the Spirit of Mrs. Elsie Combs Adams took its flight to the Glory Land. She was born March 23, 1891. She was the daughter of David and Nancy Niece Combs.

Mrs. Adams was converted some time ago and requested to be Baptized, but, due to her health she was never well enough to be Baptized.

She is survived by her husband, Shade Adams, two sons, four daughters, four brothers and six sisters. Funeral services were held June 18th at the Holiness Church on Camp Branch by the following Ministers: Revs. Robert Sexton, T. R. Collier, Robert Anderson, Ted Anderson and Toby Brewer. Burial was in Colson Cemetery, Collier & Cook Funeral Home in charge.

## John M. Tyree

Of Mr. John M. Tyree, who died at Van, Ky., May 13, 1952. He was born Dec. 7, 1869, in Letcher County, the oldest child of "Uncle" William and Zipha Collins Tyree. He was married to Mary Ann (Pet) Breeding Tyree. To this union were born ten children, seven girls and three boys. Two of these girls have gone on before him. Left to mourn the loss of a loving father are Mrs. Hattie Jones, Beckley, W. Va., Miss Bertha Mae Tyree, Saltburg, Md., Andrew Tyree, Crown, Mr. Dora B. Ison, Van, Sam Tyree, Evans, Willis Tyree, Van, Mrs. Rena Vae Johnson, Nickelsville, Va., Mrs. Mary Collins of Ulvah and a host of grand children and friends who miss him.

He had been deaf and dumb from his youth but he was a good husband and a wonderful father. He was a farmer and carpenter and worked hard; but his labor on earth is over and at his passing he won his reward which was laid up for him in the House of God.

We are sad and lonely since our father has passed away. He was always kind and loving when you met him night or day. Those who met him learned to love him for he was a friend who could strive hard to help those in need. The world may change from year to year, our lives from day to day, but the loving memory of dear old father shall never fade away.

Sleep on, dear dad till Christ shall call. Then you shall arise no more to fall and God shall wipe all tears away with life eternal on that day.

Mrs. Dora B. Ison,  
Van, Ky.

## Tracy Lee Sexton

Tracy Lee Sexton, two-year-old son of Mr. and Mrs. Riley Sexton, of Jackson died June 3, 1952 at the Fleming Hospital after taking an overdose of four different kinds of medicine obtained from the family medicine chest.

Funeral services were conducted from the Graveside on Rockhouse June 7, 1952 by Revs. Yonts and T. R. Collier. Collier & Cook Funeral Home in charge.

## Card of Thanks

We wish to thank each and every one that helped us thru the sickness and death of our loving grandfather, John Tyree. We wish to thank all of the good people who came and sang for him, and those that held prayer for it sure did please him for his good friends to visit him while he was sick. We wish to thank the good ministers who held services the night our home was so lonely and sad. We lonely grand children sure will miss him for he was so kind to us all. But it gives me gladness in my heart just to think that he has gone to a better world than here and I know that he was ready to go because he told us so. And I am sure there isn't a one of us but what would like to meet him again. So come all of you, let us all get ready to meet him for I know it would please him to see us one and all. We wish to thank all of those who bought flowers. We also wish to thank the Craft Funeral Home for their good service who were so kind to us thru our darkest hours.

Written by his Granddaughter,  
WILLIE MARIE BANKS,  
Van, Kentucky.

The Department of Revenue advises Kentucky's 40,000 in-stallment income tax payers to wait until they get their July notices and then mail their payments with the notices. This will make sure that the persons paying are credited properly. Checks mailed without the bills may not be identified through signatures or other means, the department pointed out. Installments are due July 15 and the final installments will be due Nov. 15.

**Garrett-Minton**  
The wedding of Miss Carolyn Minton, daughter of Mr. and Mrs. Vernon Goff to Seaman Harrison Garrett, Jr., U. S. Navy, son of Mr. and Mrs. Harrison Garrett, Sr., took place Sunday afternoon at 4 o'clock at the Methodist Church. Rev. E. Hampton Barnette, pastor of the church performed the double ring ceremony.

The chancel of the sanctuary was lighted with white candles in candelabras and the floral were white lilies and feverfew in tall urns with a background of palms.

A program of nuptial music was given by Miss Shirley Goodwin of Lexington as organist and Miss Anna Ronell Hogg as soloist. Miss Goodwin played "I Love Thee" (List); "The Day of Golden Promise" (White); "Dearly Beloved" (Herbert); and "Always" (Cadman) and the traditional wedding marches. Miss Hogg's selections were "Because" and "The Loveliest Time of The Year."

The bride was given in marriage by her father. She wore a white embroidered organza ballerina length dress styled with bouffant skirt and fitted waist and her fingertip length nylon veil fell from a Juliet cap. She carried a prayer book with a white orchid and showered with white satin ribbon. The maid of honor, Miss Shirley Fields was white organza and a halo of white nylon and carried an old fashioned nosegay of purple and orchid mums. Patty Goff, sister of the bride was flower girl and was dressed in white organza with a halo of yellow nylon trimmed in rosebuds and carried a basket tied with yellow satin ribbon filled with rose petals.

Seaman Harry Rogers, U. S. Navy of Oklahoma was best man and the ushers were Bronston Clay and Donald Hughes.

Following the ceremony a reception was held in the dining room of the church. Mrs. Bill Blair, Mrs. Gordon Lewis and Miss Ellene Salyer were in charge with Miss Helen Polly and Mrs. Rosa Sue King serving. The bride's table was decorated with a tiered wedding cake which had white frosting wedding bells and topped with a miniature bride and groom. The couple left for a honeymoon in the Smoky Mountains after which Seaman Garrett will return to his base at Norfolk, Va., and Mrs. Garrett will remain in Whitesburg indefinitely.

On Thursday morning, June 19, Mrs. Bill Blair and Mrs. Gordon Lewis entertained with a breakfast at the home of Mrs. Bill Blair in compliment to Carolyn Minton bride-elect of Harrison Garrett. The lovely home was decorated throughout with bowls of sweetpeas and feverfew. The petite brunette honoree was very attractive in a dress of orchid with fitted bodice and bouffant skirt. Those present were Misses Drucilla Day, Ella Louise Polly, Helen Polly, Helen Sue King, Shelia Moore, Dorothy Jenkins, Kathryn and Sue Autry, Shirley Butcher and Phyllis Gilley. The honoree received many lovely gifts.
